

# Christian Welde

film composer

---

Norwegian artist/producer/composer Christian Welde is known for his cinematic/dreamy music since his debut *Fairytales* in 1998.

From his studio in Kopervik, Norway, he composes, records and produces music in various styles for his own albums and for film.

He graduated Berklee College of Music in Boston in 1994. His curriculum included music synthesis, film music and music production.

Christian Welde has done music for promotional films, including Norwegian furniture company Ekornes, theatre music, and recently the soundtrack for the indie short film [RUN](#).

Christian is able to write electronic as well as acoustic scores.
